<p>Notes:</p> <p>* Not all possible part number configurations are available. Please contact Valex for availability.</p> <p>** Used only for 1.5" and 2" union sizes using a stainless steel mating end connection.</p>	

PCW UNION FITTING PART NUMBER MATRIX

WU	-	16	U	-	P	X
Product Line WU = PCW Unions						"Thread" Side End Connection X = None ** M = Male NPT
Union Size 08 = 1/2" 12 = 3/4" 16 = 1" 24 = 1-1/2" 32 = 2"						"Flat" Side End Connection P = PVC C = CPVC H = Hose Barb
Union Type U = Standard V = Compact *						

* Used only for stainless steel "Flat" side end connection options.

** UX and VX end connection options on flat side used for PCW sticks which already contain compatible mating ends.
